

THE STANDARD SONG LIST

Thank you for downloading our song list! Which specific songs we perform at any given event is based on 3 factors:

1) Popular music that will create an unforgettable party. We “read” your crowd and all the age groups in attendance, calling songs accordingly.

2) General musical styles that fit into your personal preferences.

3) What we perform best; songs that help to make us who we are.

We don't work with pre-determined set lists, but we will try to include many of your preferences & favorites. This in addition to you choosing all the material for any formal dances. We'll also learn two new songs for you that are not a regular part of our repertoire! (formal dances take precedence).
