

EYE 2 EYE SONG LIST

Thank you for viewing our songlist! We perform a multi-generational mix of music to engage guests of all ages. But which specific songs we perform is determined by the following criteria:

1 Popular music that will create an unforgettable party. We read your crowd and all the age groups in attendance, calling songs accordingly.

2 General musical styles and songs that fit into your personal preferences.

3 What we perform best; songs that help to make us who we are.

Please contact us to discuss our repertoire in great detail!
