

Thank you for downloading our songlist. You'll notice our band songlists are virtually identical. That is intentional: We built our bands to perform the best music from all decades; with a focus on multi-generational parties. Because of this, you dont have to spend time reviewing dozens of songlists. Its all been streamlined for you.

Song Selection:

This process is a compromise between two parties. We honor your preferences and ask you to trust our ability to call songs that create the best party possible.

Leading up to your event, you'll complete a song-list form and select every song you like. The more music you choose, the more beneficial the outcome. At our discretion, we'll play roughly 15-20 of your picks. You'll also select all music for your formal dances. Plus, we can learn two new songs that are not a regular part of our repertoire pending our approval.
